

LOW-COST SPAY/NEUTER CLINICS ARE THE ONLY SOLUTION TO PET OVERPOPULATION & NEEDLESS EUTHENASIA

What your donation will make possible

- Your donation will go towards the last \$80,000 needed for start-up costs to open the GTA's first non-profit, low-cost, high-volume spay/neuter clinic for dogs and cats.
- Spay/neuter surgery for dogs and cats will cost a flat fee of \$50.
- The clinic will be operated on a self-financing business model.
- Income from surgery fees and the use of volunteers in non-surgical positions will allow the clinic to meet all expenses with revenues.
- After one year, the clinic's operations will break even.
- In 3 years, the clinic will make sufficient profits to open a second clinic.
- The clinic will NOT seek public funding for its operations.
- Estimated total surgeries in the first year: 7,800.
- Estimated surgeries in years 2 and 3: 12,000 and 18,000.
